

WEDDING, JUNE 2011

Hello Tim,

Just wanted to thank you for the beautiful day you made our wedding on 11th June 2011!

Of all the venues that I went to see before deciding on Forrester Park Golf Club, you were the only venue that was pretty and clean, with good facilities and willing to accommodate my unusual request for a lunch reception finishing in the early evening with no fuss. When I met you, you were polite, friendly and knowledgeable, and I had complete confidence in you.

I dealt with Katie most times that I subsequently visited and she was beyond brilliant! She was warm and friendly, and no matter what I asked, she was either in the process of organising it for me, or had already done it. She even put up with my constant phone calls and emails about various things, and even me and several bridesmaids turning up an hour early the day before the wedding to drop things off, whilst she was on her lunch break, with grace. On the day, she organised everything for me and I could relax - not easy for me as I am usually a complete control freak and I find delegating difficult - as I knew that she was in charge and organised. Even when she had to speak to me on the day about various matters, she was patient and discreet, and I think she is a star - please say thank you to her for me, you are very lucky to have a staff member like her!

I would also like to say a thank you to Paul, your head chef, for the fabulous meal he prepared. I will admit that I had doubts that all the meals would be perfect as he had to make 105 of them, but all them were beautifully presented, hot and delicious! All of the guests commented on how tender the lamb was and how much they enjoyed it! It was worth every penny! He is a credit to you.

Lastly, all of the waiters, waitresses and bar staff were brilliant! Not only were they beautifully presented, smiling and eager to please, they also seemed to be really enjoying themselves and used their own initiative - two of the waitresses approached me just before the line up to ask if I would like them to carry Taylor's pram up to the room for me so he could sleep in it while we ate - they read my mind, and I didn't even have to ask. Two of the waiters also cheerfully helped me take countless boxes, flowers and cupcakes out to my car the next day when I arrived to collect them!

I have attached a few of the photos of the day that came out well in case you wanted to use them for future advertising. They are copyright free and I would be happy, if not proud for you to use them. I am also happy for you to quote me on anything that I have said as I cannot express my appreciation enough, and will be recommending you to everyone I know (A few of my friends will be getting married in the future!)

Kind regards

Emma Muldoon-King

WEDDING, MAY 2011

Dear all the fantastic staff at Forrester Park

We would like to say a very big thank you for everything you did for and on our wedding day. We had a fantastic day and everything went just perfectly. SURPRISE BIRTHDAY PARTY

Dear Fiona

We wanted to write to say a huge thank-you for all your help in ensuring Mum's surprise 60th birthday party was a success. She had a fantastic time and has described it as 'the best birthday ever'!

The food was lovely, the venue looked beautiful and having the gorgeous centrepieces organised for us was a real bonus!

The organisation and communication we received from you was great and it was very reassuring, knowing that someone was working so hard behind the scenes to help us 'pull off' the big event.

On the night all the staff were fantastic. Please pass on our thanks to the two gentlemen (we think their names were Paul and David) who welcomed all the guests and even played along with the surprise, taking us upstairs to our "table for four"!

Nothing was too much trouble and we can't thank you enough. We will not hesitate in recommending Forrester Park to others.

*Best wishes
Rebecca Succamore and Sarah Thorn*

WEDDING, APRIL 2011

Dear Tim, Katie, Fiona and all the staff at Forrester Park

Just a quick note to say an enormous thank you all for all your hard work, help and support which went into making our wedding day so perfect.

We could not have wished for a better day. All the staff were incredible. Our guests have all told us how much they enjoyed the day. The venue was wonderful, the food was fantastic and the bouncy castles were a big hit with the children and adults alike.

Please could you also pass our thanks onto the DJ, he did a wonderful job of keeping everyone happy (not an easy job with such a range of ages).

We had a magical wedding day, so please accept our thanks again for helping to make it so perfect.

Best regards

Nick and Marya

BIRTHDAY LUNCH, MAY 2011

Dear Annie and Tim and all the staff at Forrester Park

Doug and I would like to thank you all for the wonderful day we had on Sunday 22nd, Doug's 90th birthday.

As usual, the venue, food and service was excellent, and everyone who was there was in agreement with us, the remarks expressed by them all as they went home were unbelievable. We knew it would be fine, a lot of them had never been, so were very surprised.

Let's hope it gets you a lot more customers.

Thanks again, and here's to the next time.

With sincere thanks and much love
Frances and Doug Pitt

GOLDEN WEDDING LUNCH, JANUARY 2011

Dear Tim

I'm writing to tell you how much Tricia and I appreciated the spread and service you provided for our Golden Wedding Anniversary last Saturday. Sally and the girls were all extremely helpful. Please thank them again for us.

The food was also excellent – the pate was very, very tasty. I gorged on the beef – it was so tender, so didn't have room for the other two! The puddings looked and tasted delicious – I tried them all.

All the guests remarked how well everything was presented and run so smoothly.

Again, thank you.

Once again, many thanks for your help in making this one Maldon 41 Club's most successful events.
